Chair's Annual Report April 1st, 2019 – March 31st, 2020

College Council membership: The College welcomed three new members this year. Manon Gallant has taken on the role of Treasurer. Nick Sims and Don Love were appointed to the College as public members.

Council/Executive Committee

Chair: Dawna Woodside Vice Chair: Jane MacNutt Treasurer: Manon Gallant Registrar: Heather Cutcliffe Secretary: Julie Dennis Public Member: Don Love Public Member: Nick Sims

The Board renewed its contract with Heather Cutcliffe as Registrar. This position continues to manage the bulk of operational tasks. We are very fortunate to have a registrar with the knowledge, experience and connections she has. Heather is involved in many national groups, networks and initiatives related to health profession regulation and Occupational Therapy regulation. She has also been able to share her knowledge and experience with other provincial health professional groups as they navigate the Regulated Health Professionals Act (RHPA) on PEI. The College supports and appreciates this work and involvement as it greatly benefits and informs our work.

The world-wide pandemic had some minor impacts on the College, interfering with meetings and creating the need for telepractice guidelines to name a couple. Protection of the public is not optional however and alternate options were used without jeopardizing the College's mandate or anyone's safety.

With leadership from Heather, the College continued to develop and refine governance and operational materials, policies and processes over the past year for both the council and registrants.

Although a tremendous amount has been achieved since transitioning to a College under the RHPA, much work still remains. I would like to thank all Council members for their time and work this year.

Respectively submitted by,

Dawna Woodside, OT Reg. (PEI) Chair, Prince Edward Island College of Occupational Therapists

Registrar's Annual Report June 30th, 2020 Activity Summary April 1st, 2019 – March 31st, 2020

Registration Activities:

For the registration year April 1st, 2019 to March 31st, 2020 there were eighty-four (84) Occupational Therapists registered with the College. Other data includes:

| Data Element | Descripto | r | | | | # (%) | | |
|------------------------------|-------------|---|------------|------------|------------|----------|--|--|
| Special Register numbers | Time Limit | Time Limited Registration (3 or 6 months) | | | | | | |
| General Register numbers | Full Regist | ration | | - | | 79 (94%) | | |
| Lives on PEI | | | | 語語の語 | | 72 (86%) | | |
| Lives elsewhere in Canada/US | 5 – NS | 3 – NB | 2 - ON | 1 - BC | 1 - Hawaii | 12 (14%) | | |
| Initial Registrations | Transfers | under the Lal | oor Mobili | ty Support | Agreement | 6 (67%) | | |
| | New grade | uates | | | | 3 (33%) | | |

- Registration renewal continues to occur on-line; new registrants continue to participate in a paper process as not all jurisdictions have moved to a full online registration system. This means that if a registrant moves under the Labour Mobility Support Agreement (LMSA), the home province must provide verified copies of original documents (not digital versions) to the province the registrant is moving to/registering with e.g. copy of transcripts with PEICOT Seal imprint, dated, signed, etc. This tension between paper and digital documents is being discussed at the national table, but unlikely to change in the next year.
- > New registrants and renewing registrants can now use etransfers to pay for their registration fees.
- Inquiries to the registrar included emails and phone calls regarding the following questions:
 - registration requirements for PEI new grads, folks on mat leave, LMSA applicants, and other prospective applicants
 - o reserved activities below the dermis (acupuncture) and application of energy (FES, TENS, etc.)
 - o therapists, employers seeking information on COVID19, Telepractice, etc.
 - o therapists seeking practice advice on varying topics
- Since May 1st, 2015 all Internationally Educated Occupational Therapists (IEOTs) are directed to the Association of Occupational Therapy Regulatory Organizations (ACOTRO) to complete the Substantial Equivalency Assessment System (SEAS). The Competency Assessment (CA) portion of the SEAS was stopped on March 16th because of COVID19. The plan is to deliver the CA in a virtual format by mid-July and within 6 months, carry out a comparative analysis to determine benefits/issues and comparability of delivering virtually versus in-person.
- The list of Occupational Therapists registered and licensed to practice on PEI automatically updates at the end of renewal and as new registrants are approved the full list of registered registrants appears on the PEICOT website; this includes a listing of Time-Limited registrations. The full list of occupational therapists carrying out private practice is available on the PEIOTS website
- The registration fee increased by \$50 to \$350 on April 1st, 2019 and will increase again April 1st, 2020. These increases and support the ongoing activities of the College e.g. participation in national, regional and local meetings; the salary of the registrar; director's and officer's insurance; support for the database and website; accounting fees, etc.
- An Annual Schedule of Fees is available on the website.

Complaints Activities:

There were no complaints received for the 2019-2020 fiscal year.

Additional Responsibilities:

CIHI

Submitted 2019 data to Canadian Institute of Health Information (CIHI) for Health Human Resources (HHR) Database publication (due to be released fall 2020); Compare Reports reviewed, revised, signed off and submitted.

Atlantic Regulators

A second education module on *Documentation* is planned for 2020 and again will be a collaborative effort with the College of Occupational Therapists of Nova Scotia (COTNS) and the Newfoundland & Labrador Occupational Therapy Board (NLOTB).

Regulated Health Professions Legislation (RHPA)

- The College has reviewed: a) proposed amendments to the RHPA and b) proposed policies/regulations by other professions transitioning to the RHPA and provided responses to both requests.
- The Occupational Therapy Regulations are currently open for revision and the two requested additions are a) adding Prince Edward Island before the College of Occupational Therapists and b) making "management, research, education or administrative activities" an additional subclause. No changes were needed to allow access to any of the current reserved activities as: a) there is an application to the Ministry of Health & Wellness for a College of Acupuncture and if this is granted, any OTs carrying out acupuncture would be required to be registered with that College; and b) the type of "application of energy" by OTs i.e. FES, TENS and Biofeedback is not the type of 'application of energy' meant by reserved activities.
- The College has continued to develop materials to assist with governance and operations. All policies and associated documents can be found on the website and are listed in the attached inventory.
- As directed by the legislative specialist, all new applicants are required to complete both the jurisprudence test and any mandatory education modules within a specified time frame.

Foreign Qualifications Recognition (FQR)

- The 2017 FQR project proved to be an integral step to the CORECOM project in bringing CAOT, ACOTUP and ACTRO representatives together to create a charter and action plan to develop a single competency document for the occupational therapy profession in Canada and replace the three current competency documents. The CORECOM project is scheduled to be completed by March 2021.
- The FQR staff coordinated and hosted a "Regulator Education Day" on November 21, 2019 PEICOT's registrar presented a Pecha Kucha (10 picture slides x 30 seconds speaking time for each) session on Canadian Network of Agencies for Regulation (CNAR) and as part of a panel on "Regulator Profiles and Assessment Models" presenting on PEICOT.

Other

Participated in one meeting of the PEI Regulated Health Professionals Network and one meeting of a collective of PEI registrars.

ACOTRO Summary:

- Participated in three (3) ACOTRO face to face meetings to discuss strategic planning, telepractice guidelines, inter-jurisdiction practice, Substantial Equivalency Assessment System, CORECOM project, Labor Mobility Support Agreement, gap-filling for IEOTs, etc.; and thirty-eight (38) meetings to discuss additional ACOTRO work, including: executive meetings, exam oversight committee, governance committee meetings, OTA & PTA Vision Steering Committee meetings (ACOTRO rep), CAOT Academic Credentialing Council meetings (ACOTRO rep on ACC), orientation of COTNS Director, strategic planning activities with COTBC Director, etc.
- Co-chair of Planning Committee for the Canadian Network of Agencies for Regulation Conference; participated in three (3) teleconferences and reviewed 100+ abstracts. This is the key Canadian regulatory learning activity and provides an opportunity to network with other regulators, hear key issues/trends from leaders in regulation

and attend concurrent sessions on hot/relevant topics. CNAR was scheduled to be held in PEI in October 2020, because of COVID19 the conference will be held virtually this year and scheduled for Charlottetown in 2021.

- Participated in one (1) Council of Canada (OTC) teleconferences as one of the two ACOTRO reps.
- Participated in two (2) Examination Oversight Committee meetings to review, revise and approve policies related to the National Certification Exam (NOTCE)
- Participated in seven (7) ACC meetings, including one face to face meeting and two virtual meetings to discuss the impact of the COVID19 on fieldwork placements and the delivery of OT education online.
- There was no ACOTRO sponsored session at the 2020 CAOT Virtual Conference.

Future Work for Registrar

- 1. Revise the refresher program based upon feedback by the supervisor and the participant as well as a national initiative to harmonize refresher/re-entry programs.
- 2. Develop competencies for registrar role.
- 3. Continue to develop standards/policies/processes to ensure protection of the public (i.e. Documentation Standard, Social Media policy/standard, Telepractice Guidelines, etc.) as well as operational viability of the organization (Risk Management, Investment, Year End Procedures, etc.).
- 4. Continue as active member of ACOTRO.
- 5. Continue to engage with FQR, PEI Regulated Health Professions Network and the Collective of PEI regulatory organizations.
